Beagle Scout Field Notes

My eggs are prized, a delicacy rare. You can find me at **Yangtze River**. Who am I, with scales that glitter and flare?

I'm slow and gentle, a sea cow they say. I munch on plants as I float all day in the **Amazon Flooded Forest**. Who am I?

I'm small, with fur that's brown. Nuts and fruits are what I seize. You may see me at **Once Upon a River or Amazonia Encounters**. Who am I?

I'm spotted and stealthy, and I climb with grace. Take a boat ride at **Amazon River Quest** and you may spot me. Who am I?

BONUS QUESTION

How many Woodstock and his bird friends can you spot at Panda Courtyard?
