Wild Apex Adventure

Wild Apex Adventure

Embark on an exhilarating homewood adventure at heights!

While no prior experience is required, good general fitness is necessary to enjoy this adventure safely. Wild Apex Adventure is held completely outdoors, be prepared for an and/or rain.

Briefing & Exercises at all the Kiosks.

Practice clipping into the safety line and getting into position for abseiling.

Traverse and climb on metal rungs and ladders across the three Kiosks.

Cross 2 suspended bridges high above the ground

A good head for heights is required as you will be stepping on metal rungs with sheer vertical drops below.

Throughout the route, there are several viewpoints to spot the Malaysia Jungle. At the last viewpoint, you will be able to enjoy a panoramic view of the rainforest.

At the final station, you will be stepping off the 6m ramp for a controlled descent, aided by a mechanical device.

Date	Daily*
Adventure Start Time	9.00am - 1.00pm (every 30mins; last climb at 12.00pm)
Duration	2 hours
Location	The Kiosks

Wonder Wildlife Group reserves the right at its sole discretion to stop your participation in the activity at any time.

Tips to a safe and enjoyable adventure

Be Punctual

Arrive on time to ensure you get the most out of your adventure. Should you arrive late, you may not be able to participate and we may move the booking to the next available slot, subject to availability.

Listen

Listen closely and always follow all instructions while on the adventure.

Challenge by choice

You are encouraged to step out of your comfort zones and try new challenges, choose what feels right for you. Speak to the supervising guides and they'll be happy to help you participate in a way that's right for you.

Power up with a light meal

Go eat a light meal to keep yourself energized throughout the adventure.

Be prepared for sun and rain

Rainforest Wild Adventure offers a fully outdoor experience. Immersed in the lush rainforest environment. Bring sun protection for sunny days and rain gear for the occasional rainy showers to ensure you're ever ready for the adventure ahead!

Stay hydrated, bring a water bottle

The weather in Singapore can be hot and humid. Keep yourself hydrated with your water bottle and water refill stations near the washrooms (except Sentosa Foothill).

Wear sports shoes with good traction

The adventure may take you through forest trails which may be wet and muddy after rain. Get ready for mud if you are feeling through it!

Animal choice encounters

You may get to encounter animals along your adventure. Be respectful and keep your distance.

FAQ

1. What should I wear or bring along?

You should be in sports attire with long pants and sports shoes. Long pants ensure comfortable use of harness, prevent chafing and keep you cool. Water bottle is only if you prefer one with at least 750ml capacity.

2. Can I bring my phone?

An accessory pouch will be provided for you to safekeep your phone. For safety reasons, you may not retrieve your phone from the pouch unless it is safe to do so. Please leave your phone in the pouch at all times. Our supervising guides has the right to determine if a particular device can be brought along the adventure.

3. Can I bring my adventure camera?

Only adventure cameras safely secured on a wrist strap/band and used on the non-master hand can be brought along for the adventure. Our adventure guides reserve the right to determine if a particular device can be brought along the adventure.

4. Can I wear sandals?

For your safety, only fully covered closed toe sports shoes are allowed.

5. Can I bring my own helmet and harness?

Please keep in mind that children may find the activity both physically and mentally challenging. We strongly encourage adults to accompany children.

7. What if I am unable to complete my adventure? Can I get a refund?

Tickets are non-refundable. We advise you to assess your abilities to complete the adventure before making your purchase.

8. What happens in the event of bad weather?

The adventure will carry on in light rain but will be suspended during heavy rain and/or when lightning has been detected.

If you are already on the adventure, your guide will provide more information to safely descend and seek shelter.

If your adventure has not begun, the start time will be delayed. An alternative adventure may be provided, subject to availability.
